West side on the 27th at 1:16 pm
East side on the 20th at 1:14 pm
South side on the 20th at 1:16 pm

President's Corner

By Pete Goddard

The beginning of summer is just around the corner and the weather is finally turning warmer. Along with the summer weather comes more outside activities and yard chores. Of course, this means less shop time for most of us. In recognition of our short Summer here in Michigan, once this month's meeting is complete, the Guild will go quiet until the picnic in August. There will be a newsletter issued in June, but no meeting and/or outing is currently scheduled.

I want to congratulate Ed Stuckey for the success of April's Showcase of Skills meeting. The change in format and timing seemed to work well. I received nothing but positive comments on both the shorter time involvement and the ability of some of our most talented members to show (photographically) and discuss larger items that were too bulky to share in previous Showcase of Skills meetings.

There are a number of shows and festivals that are worth being aware of. The Great Lakes Woodworking Festival is in Adrian Michigan on May 6th. This festival, in only its second year, appears to have a lot of activities of interest to the general woodworking community. Michigan based wood carving shows and festivals of interest can be found on miwoodcarvers.com. In October, the always outstanding Artistry in Wood show is held in Dayton. The four-hour drive is a bit long, but the show is always worth attending. If you have an interest in wood turning, the AAW web site will help you identify local, regional, and national level symposia and shows.

There will be an executive board meeting on the 19th of May at the Livonia Senior Center. This will be a single topic meeting focusing on meeting topics and speakers for 2019. Members who are not board members that wish to contribute to the meeting are welcome to attend and make suggestions. Feedback from the membership and participation beyond meeting attendance is always encouraged. The meeting will start at 10AM and run until the board is satisfied that we have a reasonable plan for the 2019 meetings. Please try and attend if you have the time and interest.
